

Defendant objects to Plaintiff's Exhibits 1 through 23 on relevance, and offers specific objections to small portions of Exhibits 3, and 15. The pages attached hereto as Exhibits A and B are responses to letters from plaintiff's attorney, Robert Jurasek, and were not created in the ordinary course of business. Thus, defendant objects to them as

hearsay and not medical "business" records. They were specifically created for litigation.

Defendant's remaining objection is to plaintiff's Exhibit 24, the report of their expert. This is also created for litigation. It is being sought to be admitted for the truth of the matter asserted and thus is inadmissible hearsay.
